On Stonelick's correspondent well-known Mr. Glascock back on the 'bus, reminds us of a little episode that occurred at our town on the last day of the hired driver's time. After many little mishaps out from Maysville he capped the climax just after leaving this place for Carmel. With the help of the boys he got straightened out for Carmel, but it was soon noticed that he did not go straight very far; and the result was the 'bus tumbled over on the fence and spilt the most of his load over into the field; but, luckily for him, he was not out of hearing of the boys, who hurriedly went to his rescue, and soon had the 'bus on wheels and reloaded, well perfumed from broken jugs and bottles, and with the help of another driver resumed his journey.

# WILD WIT ECZEMA

## And Other Itching Burning Scaly Eruptions with Loss of Hair

### Speedy Cure Treatment \$1.25

Bathe the affected parts with Hot Water and Cuticura Soap (25c.), to cleanse the surface of crusts and scales and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment (50c.), freely, to allay itching, irritation and inflammation and soothe and heal, and, lastly, take Cuticura Resolvent (50c.) to cool and cleanse the blood. A single set (price, \$1.25) is often sufficient to cure the most torturing, disfiguring and humiliating skin, scalp and blood humors, with loss of hair, when all else fails.

This sweet and wholesome treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humors of the skin, scalp, and blood, and points to a speedy, permanent, and economical cure when other remedies fail.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scald head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worn-out parents, as in milk crust, tetter, and salt rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura remedies are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures and humor remedies of the civilized world.

### Millions of Women Use Cuticura Soap

Anointed by CUTICURA OINTMENT, for beautifying the skin, for the stopping of falling hair, for softening and whitening red, rough hands, for baby rashes and itchings, in the form of baths for annoying irritations, for too free or offensive perspiration, in the form of washes for ulcerative weakness, for many sensitive antiseptic purposes, and for all the purposes of the toilet, bath and nursery. CUTICURA SOAP combines in ONE SOAP at ONE PRICE, viz., 25 CENTS, the BEST skin and complexion soap and the BEST toilet and baby soap in the world.

### A Convincing Answer.

"I hobbled to Mr. Blackman's drugstore one evening," says Wesley Nelson of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for rheumatism with which I had suffered for a long time. I told him I had no faith in any medicine as they all failed. He said: 'Well, if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to the directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by J. Jas. Wood & Son, Druggists.
